MAY 24 – 26, 2018
Rzeszów, Poland

"International Paediatrics Conference" - task co-financed under the agreement № 899/P-DUN/2017
with the Ministry of Science and Higher Education for the activities promoting science

DEAR SIR OR MADAM,

University of Rzeszow in cooperation with the Polish Paediatric Society, the Branch in Rzeszów and Podkarpackie Voivodeship Branch of the Polish Society of Social Medicine and Public Health, SPECTRUM ASC-MED and the Association SOLIS RADIUS cordially invites you to participate in the International Paediatric Conference, which will be held on 24-26 May 2018 in Rzeszow.

The topics discussed at the conference will focus on the latest issues related to gastrology and child nutrition, diabetes, endocrinology, vaccinations, infectious diseases, immunology and allergology, diseases of the musculoskeletal system, neurodevelopmental disorders within the concept of ESSENCE*, and public health problems with regard to population of children and adolescents.

The Scientific Committee of the Conference will make sure that the best experts and lecturers from Poland and abroad will be invited and that new topics will be presented from the point of view of different specialists, especially those working in a day-to-day clinical practice. The Conference will be an opportunity not only to acquire new knowledge, but also for social gatherings, new contacts and enabling valuable professional collaboration. During the conference, there will be the satellite sessions on public health.

Detailed information about the Conference will be available on the websites:

www.pediatria.rzeszow.pl
www.zdrowiepubliczne-rzeszow.pl
and on the website of the Faculty of Medicine, University of Rzeszow:
www.ur.edu.pl/wydzial/medyczny

Prof. Artur MAZUR, MD, PhD
CHAIR OF THE SCIENTIFIC COMMITTEE

* Gillberg Neuropsychiatry Centre Sahlgrenska Academy, www.gnc.gu.se/english
